June 22, 2009

Dear Exhibitor;

The annual "Kenaston Trade and Craft Show" is scheduled for Saturday, October 24, 2009 and we are planning the event similarly to last year. If there is sufficient interest we will hold demonstrations on the stage throughout the afternoon and if you wish to be scheduled to demonstrate a product, craft or skill; please let us know. The other option is to demonstrate a product at your booth. If you intend to do this, please let us know so that we can advertise you properly.

Enclosed is a map of the table floor plan at Kenaston Place. **Exhibitors that prepay and reserve their table before September 1 will be included in our event marketing.** If you wish a certain table please indicate your preference on the map. Also include a second and third choice in the event that your first choice is taken. Please be mindful that electrical plug-in's are only available on the outside perimeter of the facility. There are LIMITED SPACES, and they are first come, first serve. Please let us know the name/type of product that you are selling to ensure that we do not double book a product line.

We also have a limited number of backdrops. If you want a backdrop for your exhibit please include an extra \$5.00 with your payment. These are available on first come, first serve basis.

Our event was a complete sell out in 2008, so the sooner you send your money and map back to us, the more likely you will have a table reserved.

Date: Saturday, October 24, 2009

Location: Kenaston Place

Booth Hours: 11:30am to 5:00pm

Move in Time: Saturday morning after 9:00am

Move out Time: Anytime after 5pm (Supper will be available from 4:30pm and you are welcome to close or stay open)
