

My name is Jesse Ouellette and I am running for town council. The reasons for this are simple, I love this town, and I want see it grow in the right direction for generations to come. My family has called Kenaston home for many years. This is where my wife Rayanne and I chose to raise our family. I want our kids to have the same, if not more, opportunities and amenities that I was so fortunate to have growing up here in Kenaston like the Swimming Pool, Hockey Rink, and our Beautiful Town Hall.

For this to happen I believe that we first need to recognize the hard work and planning that has been done in the past for this to be possible in our town. Second, I believe for this to continue and grow in a forward direction, we need to be willing to all work as a team on town council. We need to take the members of our community's questions and concerns seriously, and handle them in a non bias, fair environment, and find the best solution for everyone.

I feel I would be a positive addition to town council. I have worked as an Electrician in Saskatoon for the last 10 years. In this time I have sat on my company's Safety Board as well with OH&S Committee. As a Foreman on multiple projects I have learned to not get discouraged when faced with problems but to always view them as an opportunity to learn. I have dealt with all walks of life, and have always found a way to work with all of them. I am also a proud member of our Fire Department in town, where I have witnessed firsthand the benefits of teamwork and new ideas.

Kenaston is a great Community, I am very proud to be from here. I want everyone, all ages to enjoy their life in this town. I want to help in making that possible however I can. Please consider me when voting for council.

Sincerely,

Jesse Ouellette
