Dear Kenaston Minor Hockey Supporter,

With another exciting season of hockey approaching soon, we are reaching out to supporters and businesses to purchase an advertising package for the 2017/2018 season. The funds generated through our advertising program will help purchase new uniforms for the Novice team, and support the operation and maintenance of our local arena. Kenaston Minor Hockey provides an exciting opportunity for people of all ages to get active, participate in sport and collaborate within our own community and surrounding communities.

All of the businesses and individuals that purchase an advertising package will be included in our program for each team in Kenaston Minor Hockey: Initiation, Novice and Atom.
