## Dinner Theatre 2015

Mark your calendars - The Kenaston and District Dinner  
Theatre's 17th annual production will take place on March 27  
& 28, 2015. (Look for more details to follow).

This event is a major fundraiser for Kenaston Place and it  
wouldn't be possible without the incredible, dedicated effort  
from our community. We are looking for volunteers to help  
us this year in a wide array of roles: everything from plating  
appetizers, to waiting tables, putting up posters, helping with  
linens and the list goes on. All efforts are greatly appreciat-  
ed. If you are interested in volunteering, please contact  
Lori Gasper 306-252-2041.

**Veteran's Park:** Be sure to look for the lights in Veteran's  
Centennial Park in early Decem-  
ber. If you have Christmas lawn  
ornaments that you would like to  
donate to our Christmas theme,  
please contact Reagan Prpich.

## Community Spirit: Harvest Wind-Up 2014

A very successful Harvest Wind-Up was held at Kenaston  
Place on October 18. Following the cocktail hour and sup-  
per, Brad Johner and the Johner Boys put on another impres-  
sive show. The committee would like to thank the sponsors  
for this event: Riverbend Co-op, Western Sales, Millsap Fuel  
Distributors, Proprint and Affinity Credit Union. We would  
also like to thank those who helped with food preparation and  
clean-up, with a special thanks to Kenaston School Staff.  
The committee appreciated the community support for this  
event, the proceeds of which are used for upgrades and  
maintenance of Kenaston Place. *Rosemary O'Handley*

Village Updates

### COMMUNITY MEETING

**Tuesday, January 20th, 2015. - Mark Your Calendars!**

It is time for a community meeting. We want to hear what you  
have to say.

Council has been grappling with many issues over the course of  
2014. It is no secret that we are growing and by the looks of  
things - will continue to do so. We need to 'Plan For Growth' - it  
won't just miraculously happen. Your Council has been looking  
to the future and doing just that - planning. Before the Budget  
Committee sits down to some serious discussions, we would like  
to hear from you.

At a first glance topics on the agenda will include things such as  
availability of lots for future growth, the campground, water,  
sewer, taxes, recycling, Lorras increase..... oh yes, and the high-  
way and what has been happening with that.

Please attend and be a part of our future.

As of November 1 our Village Administrator has been in the  
office 4 out of 5 days and this will continue indefinitely. Carman  
will be working her usual Tuesday, Wednesday and Friday. The  
addition of an alternating Monday or Thursday will be included  
for 2015.

I would like to thank my fellow councilors for all their hard work  
this last year and for all that they do for this community. Council  
wishes to thank the Village staff, Carman Fowler, Village Admin-  
istrator and Joe Stacowich, Village Foreman, for their continued  
commitment of service. As well, Council wishes to thank all  
residents, both urban and rural, who go that extra mile to make  
us a community people want to be part of. It is excit-  
ing times we live in and together we can 'Plan For  
Growth'. I would much rather have the problems and  
hassles that come with growth then the agonies of  
decline.

On behalf of Council and Staff - We Wish You All  
The Very Merriest and Safest of Seasons Ever.

*Merry Christmas & Happy New Year*

*We are here to work with you and for you.  
Your Humble Servant - M.L. Whittles—Mayor*

You can email ML Whittles at: [midge54@yahoo.ca](mailto:midge54@yahoo.ca) if you wish  
to communicate your ideas, comments or suggestions for village  
improvements.

Also: please check the council tab on the Kenaston website for  
2014 minutes as well as some of the more important bylaws and  
policies.

### Chamber Thank yous:

Thank you to Affinity Credit Union and Patti Hertz for donating the replacement walking trail sign that went missing last year.

Thank you to Denis Powder for fixing the

two lights at the snow man park. Sadly one was broken immediately.

Our next thank you goes to Andrew Lutz of Lutz Electric who replaced the light and installed cages to protect them from flying objects. The snowman is now shining brilliantly at night time.

Thanks also to Denis Powder and Lorne Anholt who changed the flags in time for Remembrance Day. All of this wonderful volunteer effort is greatly appreciated.
