KENASTON TOWN COUNCIL- A Mayor & 4 Councilors will be elected. Advance Poll - October 17, 2016, Village Office, 3pm — 8pm. Election - October 26, 2016, Village Office 9am — 8pm. Sponsor—Kenaston & District Chamber of Commerce.

Fire Prevention Week, October 9-15.

2016 Theme: **“Don’t Wait – Check the Date! Replace Smoke Alarms Every 10 Years.”**

Most fatal fires occur in residential settings where people feel safest. Fire can spread quickly through your home, leaving only pre-

precious minutes to escape. Your ability to get out fast depends on advanced warning from smoke alarms and advanced planning – creating a home fire escape plan. Reduce your family’s risk from fire by following the tips: See Online Version (where space allows).

Kenaston Rural Fire District Members will be making themselves available to help you check your smoke alarms during Fire Prevention Week on October 13 from 7:00 – 9:00 pm. Or call Gene Whitehead or Ken Remmen to make an alternative appointment with a fire department member.

Thank you for making fire safety your priority in your home!

Picture on the right:

Appreciation goes to Affinity Credit Union for the funds donated towards the 2 new picnic tables placed at Veterans Park in June. The staff of Affinity also took responsibility for park maintenance over the summer.

Thank you to our Crossroads sponsors:

REPLACE SMOKE ALARMS EVERY 10 YEARS

The Kenaston Library: The Kenaston Wheatland Library at the top of the hill on 3rd Street has been a busy place. The summer reading program just came to a close with 57 people taking part. Congratulations to all the prize winners.

The back-to-school teachers have been ordering books on their upcoming units, and the Kenaston Book Club is going strong with the new title for October. All displays have been changed again—stop by and take a look at all the new books. The new ramp construction out front will be starting soon. The back room “book sale” is ongoing with many good books to choose from and the 2017 Community calendar order has already been sent away.

Library hours: Monday 7-9pm. Wednesday & Friday: 11-5pm.

DLC Spreads the Word about Online Learning

Over the past two weeks, a team of DLC teachers have been on the road, visiting with Grade 9-12 students across Sun West School Division. We talked to them about online learning in general as well as introducing them to the DLC experience and our unique, high school electives. In addition to the student audience, we are also committed to reaching out to parents and communities so that they too have accurate and timely information about distance learning and the choices that are available to Saskatchewan students.

To complement these face-to-face activities, we also hope to use technology to help spread the word about our school. In the next two weeks, watch our website, Facebook and Twitter for the opportunity to comment on a proposed open house. Tell us when, where and how you want to see our school and meet our staff and we will do our best to accommodate.

Submitted by Tanya Ringdal

Remembrance Day Service

on Nov 11th at 10:30am Kenaston Place.

School Dates: Mon. Oct 10th - Thanksgiving - no classes

Fri. Oct 21st - School Pictures

Mon. Oct 24th - School-based In-Service - no classes

Fri-Sat. Nov 4-5 - Girls' Volleyball Conferences, Kenaston Hosting

Fri. Nov 11th - Remembrance Day - no classes

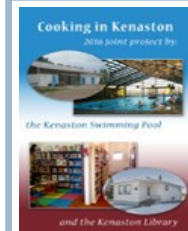

Mon. Nov 14th - Time in Lieu - no classes

Mon. Nov 28 - School-based In-service - no classes

Potential closure on Saturdays only at the Kenaston Post Office.

“A careful review has determined that we have a very small number of local customers on Saturdays. Canada Post is therefore considering closing the Kenaston location of Saturdays only. We will be holding discussions with the local representative of our employees’ association, the Canadian Postmasters and Assistants Association, and will communicate with you (to Village Office) once these discussions have occurred.” You may communicate your concerns or opinions to the Village Office.

Kenaston Cookbook—On sale at the Co-Op and Kenaston Library. Revenue goes to the Library and Pool renovation projects. Pick one up for yourself, and also use them as gifts. Pass one along to visiting guests or as gifts.

The Kenaston Pool: Hooray for another fantastic season at the Kenaston Swimming Pool!!! For the first time in several years, the Kenaston Swimming Pool came remarkably close to breaking even, as opposed to running a substantial deficit. In previous years we were running between \$25,000 - \$30,000 in the red, leaving the Kenaston Lions to cover all deficits. The amount of revenue generated from donations, passes and lessons, significantly improved our bottom line. We had a tremendous number of people register in swimming lessons and private lessons. The rentals for birthdays and reunions, as well as individuals who participated in aquacise, lane swim, and public swim all contributed to our facilities success!

Thank you Eve Ulmer and Sam Guy for taking on the responsibility of management, and having a truly successful first season! You promoted great community events and ensured a safe and fun place for people of all ages to enjoy! Thanks for organizing six sets of lessons, planning late swims, lane swim, fun days and other fun activities throughout the summer. Thank you Rachel Matovich, Jadelyn McClean and Jessica Zdunich for all your hard work this season and for making the pool the best and safest it could be! Without these young women this facility would not be open!!

A successful season cannot be accomplished without the volunteerism from some pretty amazing people that worked extremely hard throughout the season! Neal Sanderson, Brad Owen and Sheldon Modien all deserve a huge pat on the back for getting the pool open in June, shutting it down in September, installing the new chlorine system, fixing anything and everything, being on call when problems arise, and making sure the facility ran the best it possibly could! Thank you for your dedication to our community, and all the time you put into the pool! Thank you to Julia Martin, Stephanie Saundh and Brittany Bieberdorf for promoting, volunteering, and giving up your time to help with staff, fundraisers and facility operation!

Fundraisers such as the kitchen at Ole Den Antiques Auction, the annual Flea Market pancake breakfast, hamburger sales and canteen all contributed towards offsetting our operational costs. Thank you to Cynthia Guy for all your hard work and organization in that area - you dedicate a lot of time to the fundraisers! Thanks to Butch and Yvonne Millsap for always volunteering to cook! Thank you to the Powder family for always contributing generously to the facility! Thank you to Kenaston Co-Op for always helping us with our fundraisers, donating to the events and providing us with supplies! We are so lucky to have a generous business like this in our community! Thank you Carman Fowler for being our treasurer, and all the behind the scenes work you do that never gets recognized.

Thank you Greg McJanet, principal of Kenaston School, for the significant donation and encouragement to use the facility for Physical Education and class parties. We also ran two sets of lessons in June which brought in significant revenue, and encouraged more people to buy season passes! Thank you to everyone in our community and the surrounding communities that supported our pool! Thank you for believing in the importance of teaching your kids life skills! (E. Guilmette)

Preserve our Heritage:

The “Saskatchewan Valley Land Company” sign has now be restored and is displayed at the Kenaston Water Tower. Restoration compliments of Mike and Jody Schwab; erected by Lorne Anholt and Ken Remmen.
