2011 Christmas Concert at Kenaston School

Everyone is welcome to come to the Elementary Christmas Concert at Kenaston School on Tuesday, December 20th. It will start at 7 o'clock in the school gym. Grades K – 6 will put on a Christmas production called Aloha Christmas, set in Hawaii, led by Mrs. Johnson. In this production, a grandma and grandpa learn that love and sharing is the most important part of Christmas.

The K, 1's, & 2's will dress like stable animals and will sing/dance to Rock Around The Christmas Tree. There will be many songs for your enjoyment, such as, A Day At The Beach, Lullaby Of Love, and Christmas Rock to name a few. There will be dancers to entertain you with limbo, hand jiving, hula dancing, rock and roll...PLUS return of the awesome Hand Bell Choir (& Santa may just surprise you, too!) Ho, Ho, Ho! See you there! *(Interview by Matthew, Thaniel, & Evan)*

Dessert Theatre

Kenaston School invites you to attend a night of great entertainment and acting during their Dessert Theatre on Thursday, December 8th, starting at 7 o'clock. The cost is \$5.00/person with the proceeds going towards the ski club.

There are three plays to enjoy. One is a play called 'Sir Gawain and the Green Knight'. It is a story about Gawain, a knight of the Round Table, on a quest to prove his loyalty, bravery, and worth to King Arthur and the

kingdom. It will be played by various students from grades 9-12 and is directed by Mrs. Kerpan and Mr. Biberdorf.

The Grade 7's will be presenting The Baddest Angel Band, directed by Mrs. Enns. The play is about four angels that observe people on Earth. They learn about caring.

The Grade 8's, under the direction of Mr. Yeo, are going to entertain us with 'The Wrong Brothers'. In this production, two brothers are trying to build an airplane to compete with the Wright Brothers. This is a comedy where the Grade 8's will play the parts of a design committee that struggles to make a working airplane.

Besides the entertainment, don't forget, there will be delicious desserts served during the break. See you there!

Kenaston Kids Craft Club

This club involves students from kindergarten to grade 6. We meet 3 to 4 times a year to create crafts for the various holidays and seasons. We are meeting on Monday, November 28th for our Winter Craft. There are 25 eager students signed up who are ready to cut, paste and paint for an hour and a half of fun. We usually have several grade 7 helpers that are a great asset to the club. The Home Ec. room is always filled with laughter and smiles as the kids use their creativity and imaginations.

Basketball News

Both the Junior and Senior Girls Basketball teams are being coached by Gene Zdunich and his daughters, Jenna, & Jordan. All that is on the home game schedule at this time is a Senior Girls game on November 29th around 4:30 against Delisle and on December 13th around 4:30 against Warman.

Junior Boys Basketball – Mr. Jamieson & Mr. Marsh are the coaches. There is no set schedule for the season yet; still waiting to hear from other teams.

Senior Boys Basketball – There is no senior boys basketball program this year.

Junior, Junior Basketball (coaches are Mrs. Farrell & Mrs. Libke).

There are some eager students from grades 3-6 that want to play co-ed basketball. We may start some practices in December, with a few games in January, but no schedule has been set to date.

Curling Program

Mr. Marsh is looking at starting up a curling program for high school students this winter. Anybody that would like to play the greatest game on ice is encouraged to come out and try. Practices will most likely take place at the Hanley curling rink and be about once a week. We will focus on the basics to begin with (sliding, throwing, sweeping, etc.) and attempt to get more in depth as the year goes along. Hopefully, teams can be created (either girls, boys, or mixed) that can compete against other teams in the area. Overall, it should be a fun opportunity for students to try out a new sport that many have never tried.
