

CAREER OPPORTUNITY

The Village of Kenaston is currently accepting applications for the position of Water Treatment Backup Operator. The successful applicant will have a great work ethic, ability to work independently and as part of a team. Good public relations are essential.

Duties to include but not limited to:

- Maintain and Operate Reverse Osmosis Water Treatment Plant and Lift Stations
- Participate in an on-call rotation
- Operate a Grader, Payloader, and other Heavy Duty Equipment
- Reporting to the Administrator & Village Council

Qualifications for this position:

- Valid Class 5 Drivers License

Asset Qualifications

- Water Treatment & Distribution Class II and Wastewater Collection & Treatment Class I
- Previous experience working in a municipality
- Power Mobile Equipment Certificate

Salary negotiable based on experience and qualifications. If applicant does not have asset qualifications, the village will cover costs of training for the successful candidate. May lead to permanent position.

Applications will be accepted until position is filled. Only selected applicants will be contacted.

Applicants should submit a detailed resume with cover letter and references to:
